Support Your Passion - Support the Tradition - Support the Musicians

The Wild Hog in the Woods is a membership organization, a not for profit based on cooperative principles. It needs members to support the organization with many fun and rewarding opportunities for you to be part of the folk music and arts community. You will experience cooperative principles at concerts and meetings.

The Wild Hog operates a 70's style coffeehouse with live folk music and other special events, workshops, dances from time to time or in cooperation with other organizations.

Members play an important role in the Wild Hog, volunteering their time to host the coffeehouse and the other events, including promotion, booking performers, running sound, baking, newsletter, publicity, web site and much more. We welcome new members!

A good way of getting involved with the Coffeehouse is by volunteering some of your time. We always need help with running the Coffeehouse. Many jobs can be done on a flexible schedule.

Benefits to you, besides knowing that you support the music that you enjoy, include a monthly newsletter and reduced admission for Wild Hog events.
