

Live folk music Fridays at 7:30pm

Wild Hog in the Woods - 504 S. Bearly (Wil-Mar Center) in Madison

The Wild Hog operates a 60's style coffeehouse with **live folk music** in a listening room environment, Friday evenings at the Wil-Mar Center.

The Wild Hog is a 501(c)3 not-for-profit membership organization, based on cooperative principles. Want to participate? Make new friends? You are encouraged to join. Membership has many fun and rewarding opportunities for you to be part of the folk music and arts community.

Members play an important role in the Wild Hog, volunteering their time at the coffeehouse and the other events, including promotion, booking performers, running sound, baking, newsletter, publicity, web site and much more. We always welcome new members!

A good way of getting involved with the Coffeehouse is by volunteering some of your time. We always need help with running the Coffeehouse. Many jobs can be done on a flexible schedule. Training is simple and grass roots.

Benefits to you, besides knowing that you support the music that you enjoy, include a newsletter and reduced admission for Wild Hog events. We offer volunteer workers free admission and snacks at events you are scheduled to work at.
