# More Good Stuff to Know

**Sound Workshop - Saturday, October 22 from 1:30 to 4:30 P.M.**

Wil-Mar Center, 953 Jenifer Street.

This is a great opportunity to learn the sound set-up for the Hog. We will review setup of the sound system and philosophy of mixing for folk music. Sharing of ideas, questions and suggestions will be encouraged.

Musicians are also needed so we can practice mixing. Help us train more capable sound operators.

If you are interested, visit [wildhoginthewoods.org](http://wildhoginthewoods.org). On our home page is a link to the Sound Workshop where you can sign up.

**Start Time Survey** - We have often wondered if our audience would prefer a different start time. Or if a different start time would make it easier for people to volunteer and attend. Click on our link at [wildhoginthewoods.org](http://wildhoginthewoods.org) to answer 3 simple questions. Don't have a computer? Then contact Kim Genich at 608-233-5687 and he will gladly send you one.

**Road Construction / Parking** - Jenifer Street construction is nearing an end but work continues on nearby intersections. We will give you updates on how to find us either on our website [wildhoginthewoods.org](http://wildhoginthewoods.org) or through the e-mails we send out. As usual, parking is available across the street from the Wil-Mar.

**Bus Routes** - Along with Jenifer Street construction come some bus route changes. All Jenifer Street buses are currently being routed down Williamson Street. This may become a permanent change. We are concerned that some of our audience may not be able to attend. To gauge the impact of this change, we have added a question to the Start Time Survey. Please take an opportunity to let us know how it will affect you.
