

# Join or Renew Your Wild Hog Membership!

## Support Your Passion - Support the Tradition - Support the Musicians

During the pandemic, the Coffeehouse is supporting the folk community with virtual concerts each Friday evening. Being a membership-based cooperative, your support is even more important even though we cannot gather socially at the Coffeehouse. However, you can stay connected with the folk community by renewing your membership. If you haven't joined, now is a good time to do so. The Coffeehouse can adapt and continue to provide our virtual concerts from the dues you pay and tips you give to Phillip the Pig.

In "normal" times, working Members play an important role in the Wild Hog, volunteering their time. Working Membership is free and requires you to volunteer at least five times from September through May.

Working Members do not pay admission at events they are scheduled to work. It's a Win-Win for the member and the Hog! When the pandemic is past, the Coffeehouse will need volunteers, so please consider the Working Member category. Subscribing Members are those not able to volunteer but do want to support the Hog.

All members receive, besides supporting the music you enjoy, our bi-monthly newsletter and reduced admission for Wild Hog events when we are able to safely open.

To renew your membership, please use form below or download the form from our web site at [wildhoginthewoods.org/About/join.html](http://wildhoginthewoods.org/About/join.html).
